

VCU Parking and Transportation Plan
UCI Road World Championships
Richmond, VA
September 19-27, 2015

VCU Parking Information:

During the bike race all VCU parking facilities will be open to subscribers. All subscribers will park in their normal assigned location (unless contacted directly by the VCU Parking Office).

During race times, it may be difficult to enter and exit parking facilities along the race route. The routes and times of the races change daily. It is imperative that subscribers plan ahead each day so that they are familiar with street closures and how they will enter and exit their parking location.
